RE: New Website Location for Forms and Manuals

DATE: July 12, 2019

The North Carolina Department of Health and Human Services (DHHS) is moving its [collection of online forms, manuals, administrative letters and change notices](#) to a new, easier-to-use website, effective July 22, 2019. This new website, which you may now access [here](#), will present each Division's information in a simple, straightforward manner, and allow users to search for content. On July 22nd, when users access the old website, it will automatically redirect to the new one. We recommend that you bookmark the sections you will use most frequently on the new site. On July 22nd, when the website goes live, there will be a link on the home page to a brief guide to assist with navigation.

We invite your feedback regarding this new site. If you have any questions or concerns you may contact Sharon.d.Moore@dhhs.nc.gov or Karen.Mann@dhhs.nc.gov.
