RE: New Website Location for Forms and Manuals

DATE: July 31, 2019

The North Carolina Department of Health and Human Services (DHHS) is moving its [collection of online forms, manuals, administrative letters and change notices](#) to a new, easier-to-use website, effective August 1, 2019. This new website, which you may now access [here](#), will present each Division's information in a simple, straightforward manner, and allow users to search for content. On August 1, when users access the old website, it will automatically redirect to the new one. We recommend that you bookmark the sections you will use most frequently on the new site. When the website goes live, there will be a link on the home page to assist users with navigation.

We invite your feedback regarding this new site. If you have any questions or concerns you may contact dssweb@dhhs.nc.gov or Sharon.d.Moore@dhhs.nc.gov.
