## +APPLICATION WORKSHEET

## NC FAST ID No.:

## Case Name:

Start at Step 1 and work through Step 28. Do the steps in order. Use standard rounding procedures to two decimal points (cents) except where specified otherwise in instructions. Noted by (\$0.00). Example of standard rounding procedures: \$1.235 rounds to \$1.24, \$1.234 rounds to \$1.23. Except for Line 3, if a negative number results after subtracting two numbers, insert a zero. Be sure to follow all "Note" instructions. When skipping lines or blocks, dash out or mark "NA." CATEGORICALLY ELIGIBLE FOOD AND NUTRITION SERVICES UNITS (FNSU): Special rules apply to these FNSU's. Do not apply the gross income test to line 11 or the net income test to line 26. A one and two person FNSU will not be terminated if the allotment is less than \$1 but will receive the minimum allotment of \$23. A three or more person FNSU will be terminated if the allotment is less than \$1.
