**What Is SNAP?**

SNAP is a simplified version of the Food and Nutrition Services Program that seeks to deliver food to older adults in a new way. Many Food and Nutrition Services Program rules do not apply. Eligible household will not need an interview but may be contacted if application is incomplete. SNAP is a project that arose from a partnership between the North Carolina Division of Social Services and the U.S. Department of Agriculture Food and Nutrition Service.

**Who Is Eligible?**

DSS identified and mailed applications to individuals who receive SSI, and:

- Are age 65 or older;
- Are not living in an institution;
- Live in North Carolina;
- Buy and cook food separate from other people living in the home; and
- Are not disqualified from the regular Food and Nutrition Services Program.

**What Am I Going to Receive?**

If you are eligible for SNAP, we will automatically deposit either \$104, \$145 or \$170 into your Food and Nutrition Services benefits account every month. The amount you receive depends on your monthly rent or mortgage amount. We will send you a plastic card called an EBT Card that you can use to purchase most food items at participating grocery stores across the State. This method of receiving benefits is called Electronic Benefits Transfer (EBT). You may allow another person to get an EBT card so that person can use your benefits to purchase food for you. After applying for the program, you will receive an EBT card and instructions for using it if you are eligible.

**Note:** If your rent or mortgage expenses are \$0, \$0.01-199.99, or \$200 or greater per month, or your medical expenses are more than \$35 per month, you may qualify for more benefits by applying for the regular Food and Nutrition Services Program. If you want to apply for the regular Food and Nutrition Services Program, you or your representative must contact your local DSS agency to apply.
