**135.04      DSS-1473 STATE APPEAL REQUEST FORM INSTRUCTIONS**

DHHS Hearings and Appeals Section has provided the following information and requirements regarding all state hearings and appeals requests. County staff **must** follow the guidance in this policy for all state hearings and appeals requests.

**UPDATE: Due to Medicaid Expansion, the DSS-1473 has been updated to include a check block for the program type of “MXP” on page 2 of the DSS-1473 form.**

If the needed program type is not listed on page 2, then the “Other:” block should be checked and the program name inserted in the “Other:” blank (for example MAF-BCCM, Guardian Assistance, etc.)

Counties **must** access the DSS-1473 State Appeal Request and Addendum forms by going to the DSS Forms Website for the most current version of the forms. [Forms — Policies and Manuals \(ncdhhs.gov\)](#)

**All** e-mails to the Hearings & Appeals Section **must** be sent through the **DHHS ZixMail portal** (*Zix Secure Email Message Center*) which encrypts the information in the body of your e-mail. The subject line is **not** encrypted; therefore, do **not** put any client identifying information in the subject line of the e-mail.

**First Time User:** To send an encrypted email message to the Hearings & Appeals Section’s service email address ([Medicaid.DSS.State.Appeals@dhhs.nc.gov](mailto:Medicaid.DSS.State.Appeals@dhhs.nc.gov)) or to a State Hearing Officer’s email address, a first time user should use this link (<https://web1.zixmail.net/s/login?b=ncdhhs>) and click the “Register” button to create an account. From the first screen, you may sign in, reset your password, register, and receive detailed user Help information. This screen also provides an email address for technical support regarding the message portal. If you have your own

ZixMail license, you may send ZixMails directly and do not need to use the ZixMail portal (*Zix Secure Email Message Center*).

**All** ZixMailed messages sent to [Medicaid.DSS.State.Appeals@dhhs.nc.gov](mailto:Medicaid.DSS.State.Appeals@dhhs.nc.gov) receive a confirmation reply email from a Hearings & Appeals Office Assistant indicating that your email message was received by the Hearings & Appeals Section. If you do **not** receive a confirmation reply email within 1 business day, then your e-mail was **not** successfully sent, and you **must resend** it. Failed attempts are usually due to file attachments being too large and you will need to split the information into multiple ZixMails.

The North Carolina Administrative Code (10A NCAC 21A .0304) **requires** the appellant (applicant/beneficiary [a/b]) to select their mode of hearing (i.e., in-person, by phone, or by video) at the time the appeal is requested. A county worker **cannot** make the choice for the a/b. The mode of hearing **must** be the **a/b's choice**.

An a/b requesting a state appeal **must** be given the following mode options:

1. **In-person hearing at the county DSS office** (State Hearing Officer and all parties are present at the DSS for the hearing)
2. **Remote phone hearing** (State Hearing Officer participates by phone and a/b chooses to participate by using their own phone **or** by notifying the DSS that they will come to the DSS to participate with the county when the county connects by phone for the hearing)
3. **Remote video hearing using Microsoft TEAMS** – the a/b must include an e-mail address for this option (State Hearing Officer participates by video and a/b chooses to participate by connecting to Microsoft TEAMS [must have internet access, camera capability, and microphone capability] **or** by notifying the DSS that they will come to the DSS to participate with the county when the county connects to TEAMS for the video hearing - **All** parties must be on camera for a video hearing)

**If the a/b cannot be reached** to choose a mode of hearing, the county worker **must check the phone hearing block** (default mode) **and check the block indicating that attempts to reach the a/b were unsuccessful**.

If the a/b does **not** have a preference in mode of hearing, **the default mode of hearing is a phone hearing**, and the county worker **must check the phone hearing block**.

If the a/b chooses a video hearing, the a/b's e-mail address **must** be given or if the a/b wants to go to the county DSS for the video hearing then indicate on the e-mail address line: "a/b wants to participate at the DSS."

**NOTE:** The county worker **must** explain to the a/b that they **must** have internet access, camera capability, and microphone capability to have a video hearing. If the

a/b chooses to go to the county DSS for the video hearing, then the county **must** be prepared with internet access, camera capability, and microphone capability for both the a/b and the county worker(s) participating in the hearing. **All parties must** be on camera for a video hearing.

The DSS county worker **must** use the **DSS-1473 (Rev. 04/01/2022)** when submitting a state appeal request. Prior versions of the DSS-1473 or an incomplete form **cannot** be accepted by the Hearings & Appeals Section.

County workers should follow-up with the Hearings & Appeals Section if a “Notice of Hearing” has not been received within 30 days of submitting the State Appeal request.

DSS-1473 related questions and status questions on State appeals may be sent to [Medicaid.DSS.State.Appeals@dhhs.nc.gov](mailto:Medicaid.DSS.State.Appeals@dhhs.nc.gov)
