

NC DIVISION OF SERVICES FOR THE BLIND POLICIES AND PROCEDURES VOCATIONAL REHABILITATION

Section:	T
Title:	Trial Work
Current Effective Date:	02/08
Revision History:	Revised 01/02

There are several areas in the Vocational Rehabilitation program (VR) that address trial work issues including those related to vocational assessment, trial work for placement purposes (generally individuals in Status 20), trial work for students in an Agency Transition Individualized Education Plan (IEP), and trial work as it applies to Social Security. For these related issues, refer to:

Vocational Assessment	Assessment Workers' Compensation Coverage for Certain Rehabilitation Consumers and Work Experiences
Placement Purposes	Workers' Compensation Coverage for Certain Rehabilitation Consumers, and Work Experiences
