SUBSIDIZED CHILD CARE ASSISTANCE PROGRAM ADMINISTRATIVE LETTER No. 07-15

TO: Directors County Departments of Social Services
Directors of Other Local Purchasing Agencies

FROM: Tamara Barnes, Interim Director

SUBJECT: Implementation of 2016 Market Rates

ISSUE DATE: December 1, 2015

Change Effective January 1, 2016

During the recent legislative session, a decision was made to implement new market rates from birth through two years of age in three, four and five star rated child care centers and homes in Tier One and Tier Two counties based upon the data from the 2015 Market Rate Survey. The new rates are effective January 1, 2016, as specified by the General Assembly in Session Law 2015-241, the budget bill for 2015-2016. A copy of the new market rate tables for each type of care and star level for each county is attached.

Market Rate Implementation

Prior to issuing payments in February 2016 for January 2016 services, Local Purchasing Agency staff must determine which payments must be revised. The increase during the Market Rate implementation process does not affect the limit of one rate increase per calendar year for these facilities.

The following are steps for implementing the revised market rates in your county.

- Review the new market rate tables provided by DCDEE to identify which market rates by type of facility, star rated license level, and age group have changed in your county.
- Compare the private paying rates that are on file or are submitted to the new market rates for all of these facilities.
- Determine the appropriate subsidy payment rate. The payment rate for children receiving subsidized child care is the private paying rate or the market rate for the appropriate age group and star rated license level for the facility, whichever is lower. If the private paying rate indicates that a facility can receive a higher subsidy payment, then the payment rate must be revised.

- Enter the new private paying rates for each facility in the Subsidized Child Care Reimbursement System (SCCRS)'s Rate Calculator for Entering Private Paying Rates. This is found as Option 5 in the Approval Notice menu.
- Provide notification of the newly approved subsidy rates to the facilities affected by increases in subsidy payment rates.

In addition, Approval Notices will be updated to reflect the revised market rates. A flyer which you may use in mailing to facilities is enclosed to help you inform providers about the implementation of the new market rates. The flyer is also available on the Divisions website at www.ncchildcare.gov under *What's New*.

Please share this information with other child care and reimbursement staff in your agency. If you have questions regarding your county's market rates, please address those questions to DCDEE.Subsidy.Policy.Help@dhhs.nc.gov.

Sincerely,

CHANGES TO THE DCDEE Market Rates
January 2016

MARKET RATE ADJUSTMENT

As of January 1, 2016, providers in Tier 1 and 2 counties may receive Market Rate Adjustments in their Subsidized Reimbursement for infants and toddlers as specified by the General Assembly in Session Law 2015-241, the budget bill for 2015-16.

This change will not affect your ability to have one Private Paying Rate adjustment during the calendar year. Rate adjustments go into effect on the first day of the month following a 30-day notice of the rate change.

If you have questions about the new Market Rates, please contact your Local Purchasing Agency.
