Dear _____:

You have been determined eligible for a Medicaid program called "Health Coverage for Workers with Disabilities" (HCWD). North Carolina Law (G.S. 108A-54.1) requires that individuals who participate in HCWD and have countable income greater than two hundred percent (200%) of the Federal Poverty Level (FPL) pay a monthly premium. The premium increases as your income reaches a higher percentage of FPL. Once the premium is paid for a month, your covered medical bills can be paid for that entire month.
