14-06**

TO: County Directors of Social Services

**ATTENTION: Children's Services Program Managers and Supervisors
Children's Services Social Workers**

DATE: November 1, 2006

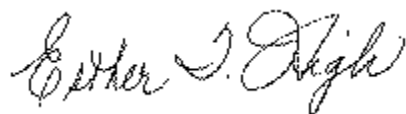

**SUBJECT: REVISIONS TO THE CHILD AND FAMILY
SERVICES REVIEW PROTOCOL**

EFFECTIVE: IMMEDIATELY

This letter is to inform you of revisions to the Child and Family Services Review protocol. These revisions were made to enhance and clarify the communication, partnership and roles regarding the Child and Family Services Review process. The Division in collaboration with NCACDSS convened a small work group of directors to address the protocol and worked towards identifying ways to support the partnership and communication between Division and county staff during the review. Additional changes clarify the case sample selection with the statewide implementation of MRS and further define the Program Improvement Plan. The revised Child and Family Services Review Protocol, with changes in red, is attached to this letter. These changes are effective immediately.

The revised protocol will be available to county staff on the Division's website. If you have questions regarding the revisions to the Child and Family Services Review Protocol, please contact Beverly Daniel at (919) 733-9461.

Sincerely,

Esther High, Acting Chief
