FOOD AND NUTRITION SERVICES CERTIFICATION

ELIGIBILITY REQUIREMENTS

FNS 240 WORK REGISTRATION

1. A parent or other FNS unit member who is responsible for providing the care of a child under age six. If both parents are in the home, only one can claim this exemption, regardless of the number of children that live in the home.

If the child has his sixth birthday within the certification period, register the individual responsible for the care of the child at the next recertification, unless otherwise exempt.

2. A parent responsible for a child over age 5 and under age 12 is exempt when child care is not available to allow the parent to work or join a work study program.

EXAMPLE: Mary works 25 hours a week for a convenience store. She works third shift. She has a child age 7. There are no child care providers in her area that offer services during the time she works. Mary meets the exemption and is exempt from work registration requirements.

3. The child does not have to be a member of the FNS unit. The child does not have to live in the same residence as the FNS unit. Do not apply the exemption if the child resides in another household and that household provides the care.
4. Accept the FNS unit's statement as verification regarding who cares for the child on a daily basis.

C. Unemployment Insurance Benefits (UIB)

A FNS unit member who has applied for or is receiving UIB. If the UIB is denied or the ongoing case is terminated because a FNS unit member fails to comply with the Department of Employment Services (DES) job search requirements, disqualify the member if he/she is not exempt from work requirements for any reason other than UIB or Work First. If, during the disqualification for failure to comply with DES, the individual becomes subject to and complies with the UIB requirement (thus meeting the FNS exemption criteria), or becomes exempt from work requirements for any reason other than UIB or WFFA, treat this as a change in situation. Refer to the appropriate section for changes during the certification period.

Also allow this exemption for individuals who are in UIB appeal status awaiting a final determination.

NOTE: Do not allow an exemption for an individual participating in Workfare who has applied for or is receiving UIB.

NOTE: If a disqualified FNS unit member does not comply with UIB the disqualification continues unless the FNS unit member meets a work

registration exemption for reasons other than application or receipt of
UIB or WFFA.

D. Physically or Mentally Unfit for Employment

Allow this exemption for any mentally or physically disabled individual, including FNS unit members who receive Veteran's Administration disability classified as unemployable but not 100 percent service or non-service connected. This code does not allow a medical deduction or an uncapped shelter deduction.

A woman who is obviously pregnant is not necessarily unfit for employment or disabled. A doctor's statement of a temporary disability is required.

NOTE: Verify the disability if the person does not receive a disability payment. A statement from a physician, nurse, nurse practitioner, designated representative at a doctor's office, or other medical personnel deemed appropriate, or a licensed or certified psychologist is required. The DSS-8655 Report of Medical Examination may be used to obtain verification of a mental or physical disability.

E. Disabled Specified Person

A FNS unit member is automatically exempt if he meets the definition of a disabled specified person. This code allows uncapped shelter deductions and medical deductions.

F. Employed

Exempt a FNS unit member who works an average of 30 hours weekly or receives weekly earnings equal to the federal minimum wage multiplied by 30 hours. Migrant and seasonal farm workers under contract or similar agreement with an employer or crew chief to begin employment within 30 days meet this requirement.

EXAMPLE: A FNS unit member babysits for 30 hours per week and earns \$50 per week. The individual is exempt from the work requirements because he is working a minimum of 30 hours per week.

NOTE: School employees (other than contracted employees) are not exempt during the summer or other school breaks. Register these individuals if not exempt for any other reason.

G. Self-Employed

Exempt an individual who:

1. Works an average of 30 hours weekly for E&T purposes; or

2. Works a minimum of 30 hours weekly for Workfare purposes; or
3. Receives weekly gross earnings equal to the federal minimum wage multiplied by 30 hours (E&T and Workfare).
4. Compute hours on an annual basis for year-round self-employment.
5. For seasonal self-employment (i.e., farming), determine average or minimum weekly work hours for the period of self-employment. If the work meets the 30-hour requirement, the member is exempt even during non-work periods. If the work does not meet the 30-hour requirement, register the member during non-work periods.
6. Contracts out the day-to-day activities of the business and works 30 hours per week in the business.

H. Narcotics Addict or Alcoholic

Exempt a FNS unit member who participates regularly as a resident or nonresident in a drug or alcoholic treatment and rehabilitation program. (Alcoholics Anonymous is not an acceptable plan.) Verify participation (treatment plan) through the organization or institution operating the program.

I. Student

Exempt an individual who is 18 or older and is a student enrolled at least half-time (as defined by the institution or program in which he is enrolled) in any training program or school, including high school or institution of higher education, which is recognized by a federal, State, or local government.

This includes individuals who may be enrolled at least half-time in an on-line curriculum, via the internet, in any training program or school, including high school or institution of higher education, which is recognized by a federal, state, or local government.

Student status is maintained during normal periods of class attendance and over vacation and recess periods, such as summer or winter vacation, spring break, and intervals between semesters or quarters.

Do not apply this exemption to:

1. A student who has graduated, dropped out, been expelled or suspended, or otherwise does not intend to return to school.
2. A FNS unit member enrolled in mail, self-study, or correspondence courses.
3. An E&T participant who has been placed in an education or training program by DES (GED, ABE, etc.), and is attending classes.

J. Caretaker of Incapacitated Person

Exempt a FNS unit member who is responsible for the care of an incapacitated person. Incapacitated means that the person is incapable of normal activity, and the presence of another person is necessary to protect the health, safety, etc., of the incapacitated person. If questionable, request a medical statement. Questionable means that the caseworker does not see the incapacitated person to assess this need, or the caseworker has a legitimate reason to believe the client's statement is untrue.

The incapacitated person does not have to be a member of the FNS unit. The incapacitated person does not have to live in the same residence as the FNS unit. Do not apply the exemption if the incapacitated person resides in another household and that household provides the care.

Accept the FNS unit's statement about who cares for the incapacitated person.

K. Jointly Processed SSI Household

Exempt a FNS unit member who applies for both Supplemental Security Income and FNS benefits at the Social Security Administration Office.

If approved for SSI, the FNS unit member remains exempt from work registration. If denied for SSI, determine if the FNS unit member must register for work at the next recertification. The individual is not exempt during the SSI appeal period, unless a doctor's statement is provided.

L. Refugee Household

Exempt a refugee who is subject to work requirements imposed by a Refugee Resettlement Program (RRP) such as the Indochinese Refugee Assistance Program (IRAP). Contact the Economic and Family Services Section for verification or if you have questions concerning this exemption.

M. Work First Family Assistance (WFFA) Employment Services Applicant or Participant

Exempt individuals that are applying for or receiving WFFA who are subject to WFFA employment services requirements. Do not register these individuals. These individuals are subject to the Work First work requirements.

If the Work First application is denied or the ongoing case is terminated, because a FNS unit member fails to comply with WFFA work requirements, disqualify the member if not exempt from work requirements for any reason other than UIB or WFFA. If, during the disqualification for failure to comply with WFFA, the individual becomes subject to and complies with the WFFA requirement (thus meeting the FNS exemption criteria), or becomes exempt

FOOD AND NUTRITION SERVICES CERTIFICATION
ELIGIBILITY REQUIREMENTS
FNS 240 WORK REGISTRATION

from work requirements for any reason other than UIB or WFFA, treat this as a change in situation.

EXAMPLES: FNS unit member disqualified due to failure to comply with WFFA work requirements reports the addition of her newborn in the household. The disqualification ends as the FNS unit member becomes exempt from work requirements as the caretaker of a child under 6 years of age.

FNS unit member disqualified due to failure to comply with WFFA work requirements reports the receipt of UIB benefits. The disqualification continues as receipt of UIB is not a work requirement exemption that will end the disqualification.

NOTE: If a disqualified FNS unit member does not comply with WFFA the disqualification continues unless the FNS unit member meets a work registration exemption for reasons other than application or receipt of UIB or WFFA.

N. Parent Operating a Home School

North Carolina law defines a home school as a non-public school in which the student receives academic instruction from his/her parent, legal guardian or a member of the household in which the student resides. For FNS purposes, this is considered employment. The individual is exempt from work requirements when the academic instruction is conducted at least 30 hours per week. Verification of the registration of a home school can be obtained through the NC Division of Non-Public Education at www.ncdnpe.org/hhh303a.htm. Ask for the name of the home school. If the home school is not listed on the website and other verification is not provided, no exemption exists.

NOTE: If required verification is not received for an exemption and the individual does not meet another exemption, register the individual for work.

240.04 DISQUALIFICATION DUE TO FAILURE TO COMPLY WITH WORK REQUIREMENTS

A. If a FNS unit member fails to comply with a work requirement, the individual is disqualified from the FNS Program. Disqualification applies to FNS unit members who:

1. Are subject to and voluntarily quit or reduce hours without good cause.

No compliance activity (cure) is needed after the disqualification period ends. If an individual becomes exempt from work requirements prior to the end of the disqualification period, the disqualification ends. Add the individual back to the FNS case the month following the month the

disqualification ends either by serving the minimum disqualification period **or** becoming exempt from work requirements. If the FNS case is not active, the individual must reapply.

2. Fail to comply with Unemployment Insurance Benefits (UIB) and do not meet another work requirement exemption other than UIB or Work First Family Assistance (WFFA).

The minimum disqualification must be served even if the individual complies with the required activity. If during the disqualification for failure to comply with Employment Security Commission (ESC) the individual becomes exempt from work requirements for reasons other than application or a receipt of UIB or WFFA, the disqualification ends and the minimum disqualification period does not have to be served. If otherwise eligible add the individual back to the FNS case the month following the month the disqualification ends either by serving the minimum disqualification period **OR** becoming exempt from work requirements. If the FNS case is not active, the individual must reapply.

NOTE: If a disqualified FNS unit member does not comply with UIB the disqualification continues unless the FNS unit member meets a work registration exemption for reasons other than application or receipt of UIB or WFFA.

3. Fail to comply with WFFA Employment Services and do not meet another work registration exemption other than UIB or WFFA.

The minimum disqualification period must be served even if the individual complies with the required activity. If during the disqualification for failure to comply with WFFA the individual becomes exempt from work registration for reasons other than application or receipt of UIB or WFFA, the disqualification ends and the minimum disqualification period does not have to be served. If otherwise eligible add the individual back to the FNS case the month following the month the disqualification ends either by serving the minimum disqualification period **OR** becoming exempt from work requirements. If the FNS case is not active, the individual must reapply.

NOTE: If a disqualified FNS unit member does not comply with WFFA the disqualification continues unless the FNS unit member meets a work registration exemption for reasons other than application or receipt of UIB or WFFA.

4. Are currently disqualified due to non-compliance with E&T, Career Start, or Workfare program requirements prior to 07/01/09.

The minimum disqualification period must be served even if the individual complies with the required activity. See FNS 250.02 Curing Non-

- B. Determine the eligibility and benefit level of a FNS unit containing a disqualified member as follows.
 - 1. Count the income and resources of the disqualified member.
 - 2. Give full deductions (not prorated).
 - 3. Do not include the disqualified member in the household size to determine the benefit level or to determine eligibility when comparing the total countable income to the income eligibility standards.
- C. The minimum disqualification periods are:
 - 1. First Offense - One month
 - 2. Second Offense - Three months
 - 3. Third and Subsequent Offenses - Six months
- D. The caseworker must reference the NC FAST notes, sanctions, and disqualifications to ensure that the next level of disqualification is imposed should it be necessary to disqualify an individual, regardless of the time that has elapsed between the disqualifications.

240.05 FAIR HEARINGS FOR WORK REQUIREMENTS

The FNS unit may request a fair hearing to appeal the denial, reduction, or termination of benefits due to the local DSS office's determination of non-exempt status or the determination of non-compliance.
