CHANGE NOTICE FOR MANUAL, NO. 06-03, Application Processing, MA-2301, Conducting a Face-to-Face Intake Interview

DATE: AUGUST 12, 2002

Manual: Aged, Blind, and Disabled Medicaid MA-2301
Change No: 06-03
To: County Directors of Social Services
Effective: October 1, 2002

I. BACKGROUND

On February 5, 2002, Judge Graham C. Mullen, Chief Judge, U.S. District Court for the Western District of North Carolina, dismissed the Alexander Consent Order. The February 1992 version of the Consent Order required payment of penalties or remedial fines if the counties did not process applications according to federal regulations and State rules.

Judge Mullen approved a “Plan to Assure Timely and Quality Services to Applicants for Medicaid, otherwise known as the Exit Plan”. The Centers for Medicare and Medicaid Services and Legal Services had approved this Exit Plan. The State had worked with a group of county representatives in developing this plan.

The persons from the following counties who worked on this plan were:

- Brenda Davis of Catawba County
- Millie Brown and Elva Quinn of Duplin County
- Dave Bradshaw and Dale Moorefield of Forsyth County
- Betty Barnes of Johnston County
- Jean Biggs and Vicki Lewis of Martin County
- Sarah Bradshaw and Alvinia Parker of Sampson County

While this Exit Plan does not change all that the counties might have wanted, it did result in the dismissal of the Consent Order. The Exit Plan reflects the commitment of both the State and the counties to continue to provide accurate benefits to our citizens in a timely manner. Each county in the State deserves recognition for its efforts. It is critical that counties continue to provide accurate benefits in a timely manner.

While Work First (WF) applications are not under the Exit Plan, a Work First application is considered an application for Medicaid. If a person comes to the agency to ask for
financial assistance, he must be given the opportunity to apply for Medicaid that same day. This applies even if the county requires the person to go to the Employment Security Commission or to the Child Support Enforcement office before taking a WF application.

Due to changes needed in the Eligibility Information System, all aspects of the Exit Plan could not be implemented until EIS was ready. In DMA Administrative Letter No. 19-02, some policy changes were made without EIS support. They were:

A. The requirement to pend applications for three months ended.

B. Penalty checks are no longer issued.

C. DDS is no longer required to pend applications.

D. The requirement to complete an interview unless the client arrives at the agency within 30 minutes of closing changed to 60 minutes.

E. The requirement to send out two requests for information 10 calendar days apart changed to sending out two requests for information 12 calendar days apart. (The 10-10 rule became the 12-12 rule.)

As a result of enhancement to EIS, all of the aspects of the Exit Plan can now be implemented.
